

GREATEST PLACE ON EARTH

**United States of America
Greatest place on earth
Provisions for our Heroes
For they protect our worth**

**Heroic men and women
Trapped outside the dream
Helpless, Hopeless captives
Nowhere to go it seems**

**Too many have returned from war
To a war at home
Fighting for a place to live
A home to call their own**

**United States of America
Greatest place on earth
Provisions for our Heroes
For they protect our worth**

**Only in America
Hopeless turns to help
When we help our Heroes
We really help our self**

**One Nation under God
Is what we have to be
Pledge of allegiance
An oath by you and me**

**Pledge that says we stand
Stand tall and all as one
We represent our Nation
A home for everyone**

**Sacred oath of unity
Providing for them all
Standing by their need
Or we all will fall**

**UNITED STATES OF AMERICA
GREATEST PLACE ON EARTH
PROVISIONS FOR OUR HEROES
FOR THEY PROTECT OUR WORTH**
